

We have decided to propose Credit Card Payment solution to make easier the integration of major Belgium payment service provider.

As first offer, we have decided to propose a solution to integrate the ClearPark services into the open source virtuemart module of joomla!.

ClearPark propose their services in multiple countries and is able to process payment of credit card like :

- Visa;
- Mastercard;
- American Express
- Diners club

and also propose payment with some belgium bank systems such as:

- Bancontact MisterCash on the Internet;
- ING Home Pay;
- Dexia (pay button);
- KBC/CBC (pay button);
